Continuazione

The figure displays five horizontal bar charts, labeled MIOR_C011* through MIOR_C021, each showing the distribution of various items across 24 categories. The y-axis for each chart includes a range of values (e.g., [18:39] [01:18] for MIOR_C011*) and the x-axis is numbered 0 to 24. The bars are labeled with their respective values and names (e.g., Mica, SARO, MXP2, AS, VAFn, REFZ).
